

Aapél

Apple | Nisenan

Mosak'tím aapelím!
Apples are delicious!

***Esak'ábe mi?** (Do you know?): Apple trees are not native to California; they were introduced in the late 1700's by the Spanish. Some Nisenan speakers borrowed the English name 'apple' as **aapél** while others borrowed the Spanish name 'manzana' as **mansaaná**.*
